€339,000

📍 Orihuela-Costa, Alicante, Valencia

Now we present this villa in PAU26, private pool and great plan, it sells without furniture and never lived in so you get to put your own style into this lovely home.

Here you get a villa with 3 bedrooms and 2 bathrooms with an open plan and great outdoor space around the private pool.

And if you like to have more view you can just enter the solarium where you have 360 view and over the pink lake so the sunset will be great from here.
